Sports Unlimited - Authorised dealer of Kanon Ball Machines for Asia & Middel East. Manufactured by Howard Manufacturing Asia. Sports Unlimited - Pioneers in Introducing Cricket as Entertainment in India at Malls, Amusement Parks etc with Kanon Ball Machines. Sports Unlimited introduced the concept of cricket zone and it was a phenomenal success wherever it was introduced.

Cricket zone - A unique amusement centre and first of its kind. Where people can come in and enjoy the thrill and pleasure of facing the cricket ball at their desired speed or spin. One can get the full cricketing experience with the help of cricket bowling machine and closed nets on all four sides and the top area, so that the ball remains in the net area at all times.

Cricket (Cricket Zone) as an Entertainment at Forum Mall, Bangalore India.

Sports Unlimited was awarded runners up for the presentation of the Concept at IAAPI 2008, Mumbai, India

Kiran With Sachin Tendulkar

Inflatable Cricket Zone, which can be installed & dismantled in 5 minutes.

The Kanon Cricket Bowling Machine

Spin balls, fast balls, full length, short balls - you name it - the Kanon ball machine delivers accurately, repeatedly and on demand. Kanon cricket bowling machines are perfect for mastering batting techniques and major fielding skills whether you practice on a field, in the nets or at home.

Variable Frequency

Balls can be delivered at intervals of 2.5, 5, 7.5 or 15 seconds.

Variable Velocity

By the adjustment of a simple control on the barrel, ball velocity is infinitely variable from 10km/h (6 mp/h) to 120km/h (74,5 mph)le Elevation. The adjustable barrel allows full length deliveries to skim high fielding shots.

Automatic Variable Oscillator

The machine will direct balls at random or at a pre-selected spot while maintaining constant power and length.

Swing Adaptor

With a simple setting, the adaptor adds swing to the left or the right.

Bowling Simulator

Provides the height required to simulate bowling deliveries.

Cordless Remote Control

To start and stop the ball feed from anywhere in the practice area.

Kanon for Batting Drills

Kanon for Catching & Fielding Drills

Hard Dimple Ball for Cricket Practice

- Hard dimpled balls
- Normal or high bounce
- Bat friendly
- Realistic
- Full protection essential for safety reasons.

The Kanon Tennis Ball Machine

The tried and tested original Kanon machine has earned world wide acclaim since its introduction in 1975. Now with electronic remote start and stop, serving simulator, variable shot pattern and spin/swing adaptor, it is the premier model. With the Kanon automatic ball machine a beginner can quickly master the basics of tennis. More advanced players can programme the machine to simulate and practice a wide variety of game situations.

Variable Frequency

Balls can be delivered at intervals of 2.5, 5,7.5 or 15 seconds.

Variable Velocity

By the adjustment of a simple control on the barrel, ball velocity is **infinitely** variable from 10km/h (6 mp/h) to 120km/h (74,5 mph).

Variable Elevation

The adjustable barrel allows deep baseline drives to high lobs.

Automatic Variable Oscillator

The machine will direct balls at random or at a pre-selected spot while maintaining constant power and length.

Spin Adaptor

With a simple setting, the adaptor adds side to side, top to bottom spin to the ball. It can also be set to deliver a slice in either backhand or forehand.

Serving Simulator

To practice return of service.

Cordless Remote Control

To start and stop the ball feed from anywhere on the court

The Kanon Baseball Bowling Machine

The versatile Kanon Ball machine is an ideal aid for baseball and softball players, coaches and teams. Batters, catchers and fielders of all ages and levels will benefit. bat/glove/eye co-ordination is improved.

The accurate and consistent Kanon will deliver ball after ball into the strike zone so a batter can practise effectively and efficiently

The kanon offers excellent practise for catchers and fielders.

The Kanon will deliver soft fuzzy practise balls for beginners or special dimple balls for more advanced players.
